

MICHAEL'S HOUSE, INC.

EMPOWERING EACH OTHER TO SERVE THE ELDERLY POOR IN THE THIRD WORLD!

DECEMBER 2006 NEWSLETTER

As 2006 draws to a close, the trustees, staff, volunteers, and elderly poor would like to thank you for your generosity and constant support. Our growth has been both challenging and exciting; without you it would not have been possible. We have incorporated and await our non-profit status. We have doubled the people we feed, expanded services to include additional hygiene and sick bay facilities, increased our monthly pensions, purchased and developed two (2) farms (Rice/Ryan and Grace Farms) with produce and livestock, expanded our handicraft facilities, established an Agape fund for eye and dental care, and supplied urgent needs such as new shoes for our elderly. We are truly working together to empower each other to serve the elderly-poor in the third world!

Monthly pensions are giving our elderly a sense of dignity and hope.

As we become well known, increased numbers of elderly are served daily.

Construction of bathrooms, showers and laundry facilities provide an opportunity for better hygiene.

The women are creating crafts to sell locally.

The farms in Uganda are purchased and equipment is rented to till the land. Donations for seed and livestock are being received.

The Agape fund has been established for eye and dental care

Dear _____, A donation to Michael's House was made in your name for _____

Michael's House Inc. is a non-profit grassroots organization that serves the elderly poor in the third world who have become invisible. Unfortunately, they do not receive funds from government organizations or other large aide foundations. It is through this gift that they now have a face and dignity in their daily lives.
